

BOSTECH DRILLING AUSTRALIA PTY LTD

19 JUL 2011

CLIENT SATISFACTION FEEDBACK SHEET

CLIENT: Wild Acre Metals Limited
ATTENTION: Alan Downie

Bostech Drilling Australia are committed to providing our clients with the best possible Drilling services available. To ensure that we maintain our high standards we have formulated this questionnaire to gain valuable insight into how our clients have rated our drilling performance. We look forward to receiving your feedback; the information we receive will help us to evaluate, maintain and improve on our standard of drilling service.

Please Rate the following items on a five point scale;

	Excellent	V. Good	Good	Fair	Poor
1. Initial arrival of Rig on time, or late?	✓				
2. Presentation of equipment		✓			
3. Co-operation of Field Staff		✓			
4. Safety Attitude	✓				
5. Equipment Reliability		✓			
6. Suitability of Equipment for the project	✓				
7. Drilling Performance		✓			
8. Quality and recovery of sample.			✓		
9. Willingness to perform unexpected requests		✓			
10. Punctuality	✓				
11. Communications	✓				
12. Supply of Consumables		✓			
14. Cleanliness of sites on completion of holes			✓		
15. Safety, Environmental Reporting			✓		
16. Accuracy and format of Invoice		✓			

Would you use Bostech Drilling services again in the future? Yes / No If NO could you

Please advise us of the reasons for this decision? _____

19 JUL 2011

We would appreciate any additional comments:

Justin and crew did a very good program. They communicated well throughout the program and took pride in their jobs. Happy to use Bostech in the future.
